KING GEORGE CHAMBER OF COMMERCE SCHOLARSHIP

The King George Chamber of Commerce is offering one \$500 scholarship to a senior at King George High School. The scholarship is intended for a student who plans to pursue a career in some area of business. To be eligible for this award, the student should be in either the high school college preparatory or business program, and must be continuing his or her formal education in a business-oriented curriculum.

Please return the following information to the Guidance Office by April 24, 2020:

- 1) Scholarship Application
- 2) Personal Statement (short essay explaining academic or career goals)

Representatives of the King George Chamber of Commerce will personally interview all the applicants and choose the recipients. The Scholarship will be awarded at the King George High School Awards Assembly.

Our Mission

The mission of the King George Chamber of Commerce is to provide enhanced business growth and professional development opportunities to its members by building a strong network of diverse, locally based, businesses.

Our Vision

The vision of the King George County Chamber of Commerce is to help the businesses in our community to achieve success and to encourage the growth and development of the economic strength of King George County. While doing this, we believe that we all have to work together to promote our businesses and the future growth of King George County. No one entity can work alone and be successful, "it takes a community of businesses interacting to promote healthy economic growth."
