The Lauren A. Davies Memorial Scholarship

Dear Applicant:

The Lauren A. Davies Memorial Scholarship is being awarded to any graduating senior who has overcome significant challenges with courage and determination to further his/her education.

Born with sickle cell anemia, an incurable disease, Lauren's physical, mental, and societal life was greatly altered by its complications including cerebral strokes, constant transfusions, organ malfunctions and the need for supportive medical appliances and procedures. None of these deterred her efforts to complete her education and become a productive, active part of her community. Lauren met these almost insurmountable challenges with nerve and tenacity, touching the lives of many. Her successes came because she refused to let her illness with its many limitations, define her life.

A scholarship package is enclosed which includes an instruction sheet and scholarship application form. The applicant must meet the following criteria:

- 1. Must be a senior in high school, whose plans include advanced education through college, business, nursing, technical training or a similar program.**
- 2. Must be a physically challenged student with an acute or chronic health problem (physical, neurological, mental, visual, hearing, speech impaired disorder), a physical disability or impairment caused by disease or other causes. (Impairment would include epilepsy, diabetes, etc.)**
- 3. Should possess good character, described by two letters of recommendation, one each from a guidance counselor and a teacher.**

Applications for this award should be mailed to the following address and must be received by the scholarship committee no later than Friday, March 27, 2020:

**Lauren A. Davies Memorial Scholarship
