2020 VSBA STUDENT ESSAY/SPEAKING CONTEST

PURPOSE

This contest is designed to give High School students in Virginia an opportunity to express creative ideas and concepts, conduct research, think critically, practice public speaking skills, and subsequently receive recognition for doing so. It is also an opportunity for our Conference on Education attendees (approximately 300+ school board members and administrators) to see and hear examples of the quality of students the schools within the Commonwealth are producing.

RULES & GUIDELINES – Please print and distribute as needed

The Virginia School Boards Association is holding a personal essay/speaking contest where the winner will have an opportunity to present before an audience of more than 300 school board members and administrators at the 2020 VSBA Conference on Education held July 21 at the Short Pump Hilton.

This is the first year the Virginia School Boards Association will hold this contest. We hope that this contest will bring out the very best in students' writing and speaking efforts and allow our attendees to witness examples of the bright, thoughtful, and accomplished students from around the Commonwealth.

Specific Rules and Guidelines begin on page 3.

TOPIC

Can and Should Freedom of Expression and Civility Co-exist?

In the name of the First Amendment and the freedom of expression it guarantees, rancorous rhetoric is fast becoming more commonplace across our country, causing many to wonder if it's any longer safe or beneficial to engage in democratic discourse. Is there a way to participate in conversations where various opinions and options for solving problems of common concern, weighing alternatives, resolving differences and co-existing without acrimony and hostility are possible? Is practicing civility (reasoned public discourse where respect, restraint, responsibility, and empathy coexist with free expression) still as important as self-governance, freedom of expression and individual dignity or does civility hamper free expression?
